15th Sunday of Ordinary Time
SEA SUNDAY

Dear Parishioner,

Today is the Fifteenth Sunday of Ordinary time. WE REJOICE AND WE THANK GOD TODAY! We will have Sunday Masses at 9.30 a.m. here at Christ the King, and it will be on our Facebook too. And I plan to have a Holy Mass on Friday at 11.00 a.m. and another Mass on Saturday at 6p.m. as a Vigil Mass.

Our Church will be open for private prayer on a Tuesday from 11 am to 1pm unless cancelled because of other engagements or lack of stewards. Slowly we will work out the possibility of opening St. Bernadette's also for prayer and services. Let us be encouraged slowly to normalcy in attending the Services respecting the regulations related to social distancing in our gatherings.

I wish to place on record the immense assistance and repair works done to our parish church building by Tom Brey and family together with Anton's Family. May God bless them all abundantly for their loving service.

The Pope's intention for July: "That today's families may be accompanied with love, respect and guidance".
In the meantime, let us trust in the Lord, Stay blessed and stay safe!
Do keep me in your prayers.

Fr Chacko

'Stella Maris' is the name by which many seafarers also know the Apostleship of the Sea. This is because 'Stella Maris, Star of the Sea', is an ancient title for Mary, the Mother of God, traditionally used by seafarers and others associated with the sea. Just as seafarers have traditionally depended on the stars for navigation, so they trust in the protection and guidance of Our Lady. Stella Maris is the patron of the Apostleship of the Sea.

Instagoss

Today's Gospel marks the beginning of the third long discourse given by Jesus in the Gospel of Matthew. Over the next few weeks, the Gospel readings will consist of the entire 13th Chapter of Matthew's Gospel, a lengthy teaching discourse.

Throughout this discourse, Jesus will offer several parables to illustrate for his listeners what he means by the kingdom of heaven. He begins with the parable of the sower, which appears rather straightforward—of course seeds grow best in good soil. Seeds that miss the soil, are sown on rocky ground, or are sown among other plants will not grow. The surprise in the parable is the enormous yield of the seed that is sown on good soil.

Jesus then explains his use of parables. Jesus seems to suggest that he uses parables to teach because the meanings of parables are not self-evident. The hearer must engage in some degree of reflection in order to comprehend the message of a parable. In this way, the medium—the parable—models the point of the parable of the sower. Those who are willing to engage themselves in the effort to understand will be rewarded by the discovery of the message and will bear fruit.

To bring home the point, Jesus interprets the parable of the sower to his disciples. The different types of soil in which the seeds are sown are metaphors for the disposition with which each individual hears the teaching about the kingdom of heaven. Some will be easily swayed away from the kingdom of heaven. Some will receive it for a time but will lose it when faced with difficulties. Some will hear the word but will then permit other cares to choke it out. Yet some will receive it well, and the seed will produce abundant fruit.

Our Knitting Group

Barbara Rogers has run the knitting group in the Parish for many years and during normal times they meet on the 3rd Thursday of the month at 2pm in the lounge at Christ The King. However, you can still be a part of the group without meeting! One of the contributors is a parishioner's neighbour whom Barbara has never met, another lives in a nursing home in Lymington and others "do their own thing" but are happy to contribute.

The group's work is put to very good uses:

- Baby clothes are given to F.A.B. charity for their work with new mums and to anyone in need
- Hats are given to Stella Maris (Apostleship of the Sea) charity for sailors
- Hat, scarf and glove (or fingerless mitts) sets are used as part of the Christmas parcels for homeless. Last year they made 18 parcels (plus small gifts)
- Small knitted toys and gifts are given to the Samaritans Shoe box appeal
- Small baby hats and armbands are sent to the neonatal unit. The armbands are used to cover a canular and prevent it from being pulled out accidentally.
- Stuffed, knitted "Boobs" are used in pre-natal training sessions with new mums and in schools. Knitted uterus and placenta to follow soon!
- Crocheted knee blankets are given to the elderly or homeless
- Knitted squares can be used for blankets for the elderly or homeless

New members and contributions always welcome!

LOCK DOWN STORY FROM FRANCES SMITH

Frances is another of our most senior parishioners who gives us some insight as to how she has spent her time in lock down.

I quite enjoyed myself in isolation during the lock down! Of course, I missed seeing my family and I missed Sunday Mass, especially the Easter ceremonies. Luckily, I discovered EWTN station which celebrates Mass every day at one o'clock offered by the Franciscans of Mary. It was quite nostalgic hearing so much Latin being used in the ceremonies and accompanied by a beautiful choir. I read a lot, even re-read some old favourites. I finished a 1,000-piece jigsaw, did crosswords, potted in the garden and sat out during that lovely warm weather. Sr Michele kindly brought the newsletter every week, keeping her distance of course! We still managed to have some nice chats. I also have my visiting fox who comes for his snacks every evening. Now that the lock down is easing, please God hopefully, normality will soon return to us all.

Who needs our prayers?

We pray for the sick and suffering and those who suffer from a chronic illness and are unable to go to a Church. They are part of a large online community and are welcome in our Parish. Our prayers especially are for

Reflection Jesus said to His disciples "How fortunate you are! Many of God's people wanted very much to see what you see, but they could not, and to hear what you hear but they did not" Mt13:16.

After fire destroyed his mansion, basketball star Kareem Abdul Jabbar told reporters: "My whole perspective changed...I think it is important now for me to spend time with my son Amir and appreciate other things besides Basketball". Kareem was fortunate. He heard what many people have never heard; God's voice speaking to him through events. He saw what many have never seen; that life contains more important things than fame and money. Can I recollect and hear what this time of Corona and subsequent lockdown period seem to speak to me? Can I read the signs of the times, when nature whispers that it is much better off without man around here in the universe'?

"God often visits us, but most of the time we are not at home" Joseph Roux
